SUMMARY

A skilled and motivated React developer with 1.5 years of experience, focusing on React-based applications. Committed to delivering high-quality results while thriving in a collaborative and dynamic environment. ISTQB® Certified Tester Foundation Level and SCRUM Fundamentals Certified (SFC). Looking forward to adding value through my passion and expertise.

EXPERIENCE

Junior Software Developer

Albania Lab

11/2022 - Present Tirana,Albania

Collaborated with cross-functional teams on frontend technologies, using Agile Scrum methodology to ensure timely application development and delivery.

- Translated complex design requirements into interactive user experiences to boost customer engagement. Utilized HTML, CSS and JavaScript to achieve project goals.
- Creating reusable components based on Figma designs using React , Tailwind CSS and Material UI.
- Collaborating with backend developers to ensure seamless integration of the frontend and backend systems.
- Testing and debugging the frontend code to ensure that the application is functioning correctly.

Web Development Intern

DominuSoft

07/2022 - 09/2022 Tirana, Albania

Professional software services and trainings programs

- Successfully built stable and maintainable codebases using React.
- Developed understanding of Sass and Bootstrap, working on side projects and tasks.
- Assisted in maintaining and troubleshooting portfolio of websites ensuring seamless user experience.

Technical Support Engineer

Tring

01/2020 - 12/2020 Kombinat, Tirane

Broadcast Media Production and Distribution

- Provide comprehensive technical assistance and support to address incoming queries and issues related to computer systems, software and hardware, ensuring prompt resolution and customer satisfaction.
- Leveraged problem-solving skills to identify and troubleshoot network connectivity problems, ensuring seamless user experience.
- Offer detailed information on IT products or services, empowering customers to make informed decisions and maximize the value of their investments in technology solutions.
